

How much does a Royal Oak cost?

You'll also find the Royal Oak with various complications. Chronographs are particularly popular and cost between 40,000 and 102,000 USD. Models with a tourbillon or perpetual calendar are even more expensive, with prices ranging from 150,000 to 245,000 USD.

Is the Royal Oak a good investment?

The Royal Oak is a steady financial performer, and the value of many models increased significantly between early 2020 and late spring 2021. For example, the ref. 15202ST's market value rose by nearly 50% in this timeframe. If you look at timepieces as investments, the Royal Oak is a serious contender.

Why did Audemars Piguet launch the Royal Oak?

In the early years of the quartz crisis, Audemars Piguet created a stir with the launch of the Royal Oak. This new AP Talks episode looks back on the genesis of this exceptional watch that was to mark its time and raise to the rank of icon. There are currently no watches in the collection.

How much does a Royal Oak chronograph cost?

AP also offers white and rose gold editions, which demand between 63,000 and 103,000 USD depending on their size. White gold models with a matte "frosted" finish are particularly nice to look at and sell for about 105,000 USD. Audemars Piguet introduced a re-worked Royal Oak Chronograph in spring 2021.

What is AP Royal Oak perpetual calendar?

AP crafts the case and bracelet from a combination of titanium and platinum components, resulting in a very comfortable wristwatch. The Audemars Piguet Royal Oak Perpetual Calendar measures 41 mm in diameter and 9.5 mm thick. While it is slightly larger than its Ultra-Thin sister model, this timepiece is still very pleasant on the wrist.

How much does a Royal Oak watch cost?

You can also choose between watches on a classic metal bracelet or alligator leather strap. The 33-mm Royal Oak Quartz costs anywhere from 22,500 USD in stainless steel to 120,000 USD in gold with a generous helping of diamonds. The 34 and 37-mm versions feature automatic calibers and demand between 24,000 and 40,500 USD in stainless steel.
