

# China and Europe to hold energy storage conference soon

When is China International Energy Storage Expo & conference 2025?

China International Energy Storage Expo and Conference (CIES 2025) will take place from March 23-26, 2025, at the Hangzhou International Expo Center in Hangzhou, China.

What is China energy storage Conference?

Organized by the China Chemical and Physical Power Industry Association and co-hosted by the Energy Storage Application Subcommittee, China Energy Storage Network, and Digital Energy Storage Network, the event is supported by over 800 organizations.

What is the energy storage global conference?

The Energy Storage Global Conference offers the opportunity to industry, researchers, and policymakers to exchange views and debate key issues faced by the energy storage sector. The 3-day conference will also explore the extent to which energy storage can help avoid dependency on fossil fuels in order to balance the electricity system.

Why should you attend the energy storage Conference?

This influential gathering will feature high-level industry reports and high-end dialogues, creating a major platform for academic exchange and collaboration within the energy storage sector. The event will also place a stronger emphasis on international outreach and promotion.

When is energy storage Canada's annual conference?

Energy Storage Canada's 7th Annual Conference - Accelerating Canada's Energy Transition is scheduled for October 11 & 12, 2022. We are thrilled to be returning in person.

Scan the QR code to pre-register immediately and meet us at the 3rd International Energy Storage Conference and Smart Energy Storage Technology and Application Exhibition ...

The 15th China International Energy Storage Conference and Exhibition in 2025 The 15th China International Power Supply Industry Association, sponsored by the China Chemical and ...

The 15th China International Energy Storage Conference and Exhibition (CIES) is set to take place from March 23-26, 2025, at the Hangzhou International Expo Center.

This is China's only industry annual conference focusing deeply on the application and development of various long duration energy storage technologies. Hosted by ...

CESEC2024??? ?????? ?????????????????? The 2nd China International Energy Storage Conference / Technology

## **China and europe to hold energy storage conference soon**

& Application ...
