What is the Luxembourg Employment Cost Calculator?

Discover our Luxembourg Employment Cost Calculator for 2025: a user-friendly tool designed to accurately calculate the total cost of employment and net take-home pay in Luxembourg. Ideal for employers and employees seeking a clear understanding of salary breakdowns, taxes, and contributions.

How do I find out the total salary expenses in Luxembourg?

Explore the total salary expenses in Luxembourg with our dynamic employment cost calculator. It also provides a comprehensive breakdown of employee costs, illustrating the net take-home pay for employees. Our calculator is tailored to offer detailed analysis, including:

How much social security do Luxembourg employees pay?

Luxembourg employees are required to pay a mandatory social security contribution of a minimum of 12.20% of their gross salary. The 12.20% includes pension (8%), health insurance (2.8% to 3.05%), and contribution to family expenses (1.4%). The employee's net salary is determined by several factors such as marital status and tax bracket.

How does a take-home pay calculator work in Luxembourg?

Employees gain clarity on their take-home pay and understand how their gross salary translates to net income after deductions. Simply input the gross salary amount, and the calculator will display the corresponding net salary along with a detailed breakdown of taxes and employer contributions in Luxembourg.

How much car allowance can employees get in Luxembourg?

The maximum amount that employees can get is twice the employee's monthly salary, including the overtime payments made. Employees in Luxembourg can get a car allowance from their employers every month. The amount varies depending on how many days an employee has been working during that month or week.

How do I calculate recruitment and first year employment costs in Luxembourg?

If you are looking to calculate holistic recruitment and first year employment costs in Luxembourg use this calculator. Note 1 Salary + average employment costs annually. When considering hiring an employee in Luxembourg, it's important to recognize that there are additional costs involved beyond the gross salary you plan to offer.
