

Solar plus storage supplier quotation in Croatia 2025

Will Croatia launch a solar tender in 2025?

According to the country's indicative annual publication plan for 2025, published on 8 January, Croatia plans to launch two solar tenders. The first tender, with a budget of EUR10 million, will be aimed at installing residential solar arrays in the second quarter of 2025 and will cover up to 50% of the investment costs.

How much does solar energy cost in Croatia?

In a related initiative, the Croatian energy market operator HROTE hosted a renewables tender in June 2024 to secure market premium support for 607 MW of renewable energy, which included 450 MW of solar power. The tender ultimately allocated 413.5 MW of solar energy at an average price of \$0.065 per kWh.

Could solar energy be a key to Croatia's energy future?

"Croatia has vast untapped solar potential. By modernising grid infrastructure, supporting energy storage solutions and remove barriers such as the high grid connection costs, we can bring solar energy to the forefront of Croatia's energy future."

Why is Solarpower Europe partnering with Res Croatia?

SolarPower Europe's partnership with RES Croatia underscores our dedication to supporting Croatia and its neighbours overcome barriers to renewable energy growth, including high grid connection costs and the need for an updated grid infrastructure to support solar projects.

How much does a solar tender cost in Croatia?

The first tender, with a budget of EUR10 million, will be aimed at installing residential solar arrays in the second quarter of 2025 and will cover up to 50% of the investment costs. Additionally, the Croatian authorities will announce a EUR25 million call to co-finance solar plants and heat pumps for the public sector in the second quarter.

How many public calls will Croatia make in 2025?

Another call for end users is expected in the first half of the year. Croatia's Environment Protection and Energy Efficiency Fund (FZOEU) will distribute EUR125 million across nine public calls in 2025. The Ministry of Environmental Protection and Green Transition (MZOZT) will administer 23 public calls this year, amounting to EUR526.8 million.
